*APR (Annual Percentage Rate). Loan rates are based on applicant's credit history and other underwriting factors. Borrower must provide copy of valid purchase order or invoice for qualified energy-related home improvement project. Energy loan is available only for purchase and installation of new furnaces, air conditioning units, solar panels, dual-pane windows and Energy Star-rated appliances. All loan rates are subject to change daily without notice. This is an unsecured loan and is not associated with a home loan product. Payment per \$1,000 balance is based on APR. Payment example may be lower or higher depending on your credit history and other underwriting factors. For example, the payment per \$1,000 is \$11.61 for a term of 10 years (120 months) at 6.99%. The payment for a \$20,000 loan with a 10-year term (120 months) at 6.99% is \$232.14.
